All rising 9th grade students residing in Richland School District Two are invited to audition for the Palmetto Center for the Arts. The audition process includes an application that must be completed online at the District Two website, www.richland2.org, between December 18th, 2017 and January 26th, 2018. Applications will not be accepted after 11:59 pm on January 26th.

Audition requirements for the Palmetto Center for the Arts are based on the *South Carolina Guidelines for Identification of Artistically Gifted and Talented Students*. An outline of the requirements specific to each art area is included in this packet.

The student may audition for as many as three art areas, but can be accepted into only one. If auditioning for more than one art area, however, students must rank their choice of art areas on their application. In the event the student is accepted into more than one art area, the student is placed according to his/her highest-ranking choice.

At Northeast students may also participate in **dual** magnets, i.e. PCA and Horizon or PCA and Cavplex. Students, however, must apply online to both magnets.

Some art areas are providing audition workshops to help students prepare for the audition. These workshops are optional and NOT required to audition for any art area.

For more information about PCA, we invite you to attend our Magnet Orientation Tuesday, January 9, 2018 at 6:30 pm in the District Auditorium. Also please visit our website at www.palmettocenterforthearts.org. **Applicants are also invited to shadow a current magnet student.** To set up a shadowing experience or if you have questions, please contact Donna Wilson, PCA Magnet Director at (803) 699-2800 ext. 79833 or e-mail her at dowilson@richland2.org.

Workshop: Wednesday, February 7, 2018 from 3:45-4:30 pm in C-213

The Audition: The PCA Visual Arts audition process is a multi-part process. Students will be evaluated in several areas: Application, Teacher Recommendation, Portfolio (one artwork in this section), Sketchbook (one artwork in this section), Interview, and Master Class work.

- A. **Application:** An application must be submitted online at www.richland2.org.
- B. **Teacher Recommendation:** One teacher recommendation must be obtained from a current or 8th grade teacher. Please write the teacher's name in the space provided on your online application so that we may contact him/her.
- C. **Portfolio (ONE Artwork):** Students are required to bring to the audition **ONE** artwork that best exemplifies the student's strength and interests in visual art. This artwork may be 2D or 3D. This artwork may be created independently or in an art class setting. The work needs to have been created in the past 2 years (not elementary school).
- D. **Sketchbook (ONE Artwork):** Students are required to bring to the audition **ONE** drawing from direct observation. Direct Observation means that the student looks at an object or collection of objects as he draws them. Sketches should be complete, one-paged drawings. Time, effort, and thoughtfulness are considered in evaluating the student's work.
- E. **Interview:** Students will have a one-on-one interview with one of the PCA Visual Arts instructors. This interview will last approximately 5-10 minutes. The student should be prepared to discuss his/ her work and future art goals.
- F. **Master Class:** Students will participate in a Master Class lesson conducted by the PCA Visual Arts instructors. The students will then be asked to complete a drawing from a still life to the best of their ability. Art supplies will be provided for the Master Class. Students will be observed and guided throughout this session. Students should strongly consider the instructions and guidance provided by the faculty during the Master Class session. Students will not be allowed to work past the allotted amount of time scheduled for the Master Class. Master Class work will not be returned to the student.
