

## **About PCA Wind-Percussion**

**PCA Wind-Percussion** students are challenged by an extensive curriculum that includes individual private lessons for each student with a master teacher of their particular instrument. Students also have opportunity to participate in the Northeast Marching Band and the Concert Band. The program also features several ensembles, including steel drums. In addition, all PCA music students have the extraordinary benefit of being enrolled in the prestigious and world-renowned International Baccalaureate (IB) Programme through their IB Music courses.
